SHOCKWAVE ^{SS}
SENTINEL

SHOCKWAVE ^{SS} **SENTINEL** | ADAPTER PLATE SW-08290

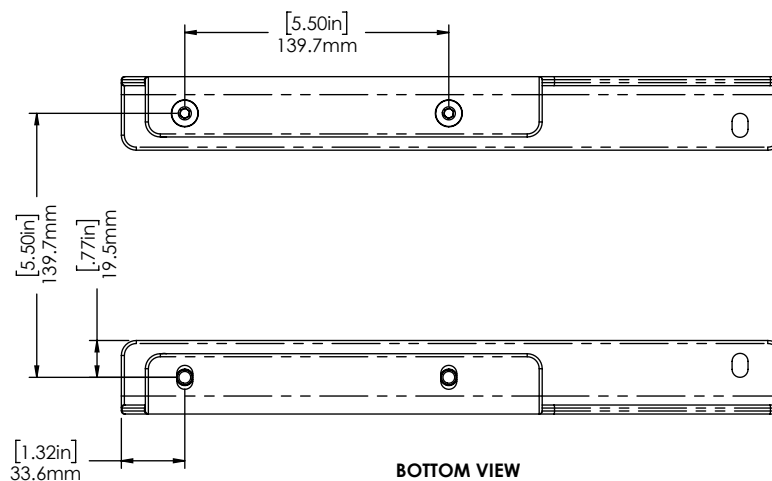

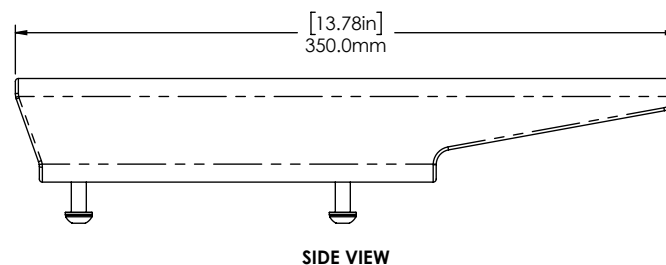

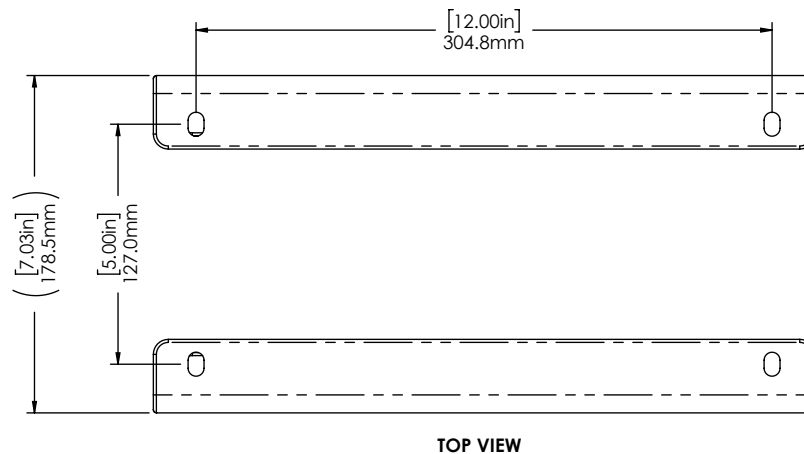

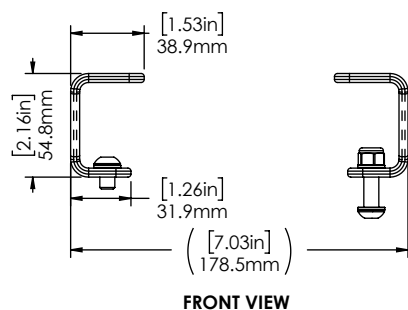

Adapter Plate shown
with SHOCKWAVE Swivel Slide

This adapter kit allows users with non-SHOCKWAVE brand seats to fit their seats to our SHOCKWAVE accessories. It's designed to accommodate any non-SHOCKWAVE seat that uses a 5" x 12" bolt pattern. The adapter plate accommodates both upward and downward bolt patterns.

This is only for users with 5' x 12' bolt patterns, as all other patterns should work to our accessories and module.
